RELATES TO: KRS 258.015, 321.181(5)(b)

STATUTORY AUTHORITY: KRS 321.235(3), 321.240(5)

NECESSITY, FUNCTION, AND CONFORMITY: KRS 321.181(5)(b) provides that the practice of veterinary medicine includes the prescribing, administering, or dispensing of drugs and medications for veterinary purposes. KRS 321.235(3) and 321.240(5) authorize the Kentucky Board of Veterinary Examiners to promulgate administrative regulations to carry out and enforce the provisions of KRS Chapter 321. This administrative regulation establishes a procedure for the prescription and dispensation of drugs by licensed veterinarians for use in animals.

Section 1. Definitions. (1) "Legend drug" means a veterinary prescription drug.

(2) "Prescription" means an order from a veterinarian to a pharmacist or another veterinarian authorizing the dispensing of a veterinary prescription drug to a client for use on or in a patient.

(3) "Veterinary drug" means:

(a) A drug for animal use recognized in the official United States Pharmacopoeia or official National Formulary of the United States;

(b) A drug intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in animals;

(c) A drug, other than feed, medicated feed, or a growth promoting implant intended to affect the structure or function of the body of an animal; or

(d) A drug intended for use as a component of a drug in paragraph (a), (b), or (c) of this subsection.

(4) "Veterinary prescription drug" means:

(a) A drug that is not safe for animal use without a veterinarian using or ordering the use of the product, and that is required by federal law to bear the following statement: "Caution: federal law restricts this drug to use by or on the order of a licensed veterinarian";
(b) A drug that is required by state law to be dispensed only on order or prescription of a licensed veterinarian;
(c) The extra-label use of an over-the-counter animal drug or human drug; and
(d) A medicament compounded by mixing two (2) or more legally-obtained over-the-counter or prescription drugs.

Section 2. Prescribing and Dispensing. (1) A veterinary prescription shall include all of the following:
(a) The name and address of the veterinarian and, if the prescription is a written order, the signature of the veterinarian;
(b) The name and address of the client;
(c) The species and identity of the patient for which the prescription is issued;
(d) The name, strength, and quantity of the drug prescribed;
(e) The date on which the prescription is issued;
(f) The directions for administering the drug;
(g) If the patient is a food producing animal, the withdrawal time for the veterinary drug;
(h) If the prescription authorizes extra-label use, the manner in which the client may use the drug;
(i) Any cautionary statements required by law; and
(j) Number of refills allowed, not to exceed the limitations established in Section 6(2) of this administrative regulation.

(2) A veterinarian shall not prescribe for or dispense to a client a veterinary prescription drug or a drug for extra-label use without first personally examining the patient unless a veterinarian-client-patient relationship (VCPR) already exists between the prescribing veterinarian, client and patient, and the veterinarian determines that the client has sufficient knowledge to administer the drug properly.

(3) A veterinarian shall not prescribe or dispense a veterinary prescription drug to a client unless the veterinarian indicates in the appropriate records described in Section 4 of this administrative regulation, within seventy-two (72) hours after the prescription is issued or the drug is dispensed, that the prescription has been issued or that the drug has been dispensed.

(4) A veterinarian shall not prescribe a drug to a client for extra-label use on a patient unless all of the following apply:
(a) The VCPR exists between the veterinarian, client and patient, and the veterinarian has made a careful medical diagnosis of the condition of the patient within the context of that VCPR;
(b) The veterinarian determines that there is no drug that is marketed specifically to treat the patient’s diagnosed condition, or determines that all of the drugs that are marketed for that purpose are clinically ineffective;
(c) The veterinarian recommends procedures to ensure that the identity of the patient receiving the drug can be readily ascertained in the future; and
(d) If the patient is a food producing animal, the veterinarian prescribes a sufficient time period for drug withdrawal before the food from the patient may be marketed.

(5) A veterinarian shall not transmit a prescription electronically unless the client approves the transmission and the prescription is transmitted to a pharmacist or veterinarian designated by the client.
(6) A veterinarian shall not refuse to write an otherwise appropriate prescription for a patient with a valid VCPR solely because the prescription may be filled at an establishment other than the veterinarian’s own clinic or pharmacy.

Section 3. Labeling. (1) A veterinarian shall not dispense a drug that has been prepared, mixed, formulated, or packaged by the veterinarian unless the veterinarian affixes to the container in which the drug is dispensed a label containing all of the information specified in Section 2(1) of this administrative regulation, except the address of the client.

(2) A veterinarian shall not dispense a veterinary prescription drug that has been prepackaged by its manufacturer for dispensing unless the veterinarian affixes to the container in which the drug is dispensed a label containing all of the information specified in Section 2(1) of this administrative regulation, except the address of the client.

(3) A veterinarian may dispense a veterinary over-the-counter drug without affixing any information to the container in which the drug is dispensed if a label that has been affixed to the container by its manufacturer provides adequate information for its use.

Section 4. Prescription Records. (1) A veterinarian shall maintain complete records of each veterinary prescription drug that the veterinarian receives, prescribes, dispenses, or administers, and of each prescription issued by the veterinarian that authorizes extra-label use.

(2) Records of each veterinary prescription drug shall include:

   (b) The name and address of the person from whom the drug is received;
   (c) The date and quantity received;
   (d) The name and address of the person to whom the drug is dispensed;
   (e) The date and quantity dispensed; and

(3) Records of each prescription authorizing extra-label use shall include the information specified in Section 2(1) of this administrative regulation.

(4) A veterinarian shall maintain records of each veterinary prescription drug for at least five (5) years after the date on which the veterinarian prescribes, dispenses, or administers the drug or extra-label use.

Section 5. (1) A veterinarian may refuse to write a prescription for controlled substances or a prescription for any medication that, in the veterinarian’s medical judgment, is not appropriate for the patient’s medical care.

(2) A veterinarian may refuse to write a prescription if it is not directly requested by a client with whom there is, in the veterinarian’s opinion, a current and existing VCPR.

(3) A prescription shall be construed to include any manner of authorization for filling a prescription, including verbal or electronic communication.

(4) The veterinarian may delegate to an office employee the authority to communicate a refill of a legend drug to the pharmacy on behalf of the veterinarian pursuant to written protocol established prior to the delegation of that authority.
Section 6. (1) A veterinarian shall ensure that federal legend drugs and veterinary prescription drugs are maintained, logged, administered, prescribed, dispensed, and destroyed in compliance with state and federal laws.

(2) A veterinarian shall not prescribe or dispense a quantity of drug that is greater than that the amount required for one (1) year of treatment for an animal, herd, or flock.

   (b) Make a diagnosis based upon the history, physical examination, and pertinent diagnostic and laboratory tests;

   (d) Ensure availability of the veterinarian or the veterinarian’s staff for appropriate follow-up care.

Section 7. Rabies Vaccine Administration. The administration of a rabies vaccine shall be in accordance with the provisions of KRS 258.015 and 902 KAR 2:070.

Section 8. (1) A veterinarian may dispense a prescription drug only if the prescribing veterinarian has established a VCPR.

(2) If the dispensing veterinarian does not have a VCPR, a licensed veterinary technician or a veterinary assistant may assist in the delivery of a veterinary drug, legend drug, or veterinary prescription drug only while he or she is under the direct supervision of a licensed veterinarian.

(3) If the dispensing veterinarian does have a VCPR, a licensed veterinary technician or veterinary assistant may assist in the delivery of a veterinary drug, legend drug, or veterinary prescription drug while he or she is under the indirect supervision of a licensed veterinarian.

(4) If a licensed veterinary technician or a veterinary assistant acts under the provisions of this section, the licensed veterinarian shall ensure that the requirements of this administrative regulation are met.

Section 9. Enforcement. If the board has reason to believe that a veterinarian or person claiming to be a veterinarian is violating or has violated this administrative regulation, the board may:

(1) Inspect the premises on which the veterinarian or person claiming to be a veterinarian possesses, prescribes, dispenses, labels or administers veterinary drugs;
(2) Inspect relevant records, equipment, materials, containers, or facilities;
(3) Collect samples of veterinary drugs found on the premises; and
(4) Conduct any other investigative activities necessary to open a case and issue a determination and, if necessary, hold hearings and enact discipline on the individual. (46 Ky.R. 1745, 2477, 2618; eff. 6-30-2020.)

201 KAR 16:610 - Procedures for grievances, investigations, and administrative charge
RELATES TO: KRS Chapter 13B, 61.870 - 61.884, 321.190, 321.235(2), 321.351, 321.353, 321.360
NECESSITY, FUNCTION, AND CONFORMITY: KRS 321.235(2) authorizes the Kentucky Board of Veterinary Examiners to investigate an allegation of a practice that violates the provisions of KRS Chapter 321. KRS 321.235(3) and 321.240(5) authorize the board to promulgate administrative regulations to implement KRS Chapter 321. This administrative regulation establishes the procedures for handling grievances, investigations, and administrative charges.

Section 1. Definition. "Grievance" means a complaint, grievance, or other allegation of misconduct that might constitute a violation of KRS Chapter 321 or 201 KAR Chapter 16.

Section 2. Intake of Grievances. (1)(a) A grievance may be submitted by any individual, organization, or entity.

(b) The board may submit a grievance on its own initiative based on information in its possession that the board believes is sufficiently credible to justify a request for a response from the licensee (or other individual named in the grievance).

(2) The grievance shall be in writing on a Grievance Form or online equivalent form provided by the board, and shall include the complaining party’s name, address, telephone number, and signature. Electronic signatures shall be accepted.

(3) The board’s chair, or the chair’s designee, shall perform an initial screen of any grievance that was submitted without identifying the complaining party. The chair, or the chair’s designee, shall determine whether the grievance contains sufficient details or other indicators of credibility to justify a request for a response from the licensee (or other individual named in the grievance). If sufficient details or other indicators of credibility are lacking, then the grievance shall be discarded without further action or notice to the licensee or other named individual.

(4) The board shall send a copy of the grievance to the licensee (or other individual named in the grievance) along with a request for a response. The response shall be required within thirty (30) days from the date of when the board sent a copy of the written grievance. Failure to respond in writing within thirty (30) days may constitute a violation of the Code of Ethical Conduct pursuant to 201 KAR 16:500.

Section 3. Initial Review of Grievances. (1) After the time period for the licensee’s (or named individual’s) response has elapsed, at the next scheduled board meeting the Complaints Screening Committee shall consider the grievance, the response if one was received, and other relevant information that is available to the Committee.

(2) The Complaints Screening Committee shall determine if an investigation is warranted after reviewing the information that is available. An investigation shall be warranted if the committee determines, based on a totality of the circumstances, that a reasonable probability exists that the grievance has merit.

(3) If, in the opinion of the Complaints Screening Committee, a grievance does not warrant an investigation, then the board shall notify the complaining party and the respondent that the grievance is being dismissed without investigation.

(4) The dismissal of a grievance without an investigation shall constitute a final action of the board. Following the dismissal, the grievance, the response from the individual named in the grievance, and correspondence that is intended to give notice of the dismissal shall be subject to disclosure pursuant to the Kentucky Open Records Act, KRS 61.870 through 61.884.
(5) If, in the opinion of the board, a grievance warrants an investigation, then the board shall open an investigation into the matter.

Section 4. Investigations. (1) The Complaints Screening Committee shall have the authority to direct an investigation and shall exercise those powers possessed by the board in regard to investigations as provided by KRS 321.235.

(2) The Complaints Screening Committee shall have the authority to request the participation of any person in an investigation. The refusal or failure of any board licensee or certificate holder to participate when requested, or to provide information and documents requested by the committee within the requested timeframe, shall be considered a violation of 201 KAR 16:500.

(3) Investigative reports shall be reviewed at a meeting of the committee.

Section 5. Reports and Recommendations Following Investigation. (1) If the board determines that the results of an investigation do not warrant the issuance of an administrative charge against the individual named in the grievance, then the board shall notify the complaining party and the individual that the grievance is being dismissed without further action.

(2) The dismissal of a grievance following an investigation shall constitute a final action of the board. Following the dismissal, the grievance, the response from the individual named in the grievance, correspondence that is intended to give notice of the dismissal, and any other documents obtained or generated during the investigation (other than those documents that are subject to a legitimate claim of privilege or otherwise exempt from disclosure by law) shall be subject to disclosure pursuant to the Kentucky Open Records Act, KRS 61.870 through 61.884.

(3) If the board determines that the results of an investigation warrant the issuance of an administrative charge against a licensee, then the board shall cause an administrative charge to be prepared.

(4) If the board determines that the results of an investigation warrant proceedings against a person who is not a licensee, then the board shall cause a civil action to be prepared for filing in the Franklin Circuit Court or other court of competent jurisdiction.

Section 6. Administrative Charges. (1) The administrative charge shall:

(a) Be signed and dated by a member of the board or the board’s authorized representative;

(b) Be designated with an administrative charge number; and

(c) State:

1. The board’s jurisdiction in regard to the subject matter of the administrative charge; and

2. In numerical paragraphs, sufficient information to apprise the named licensee or individual of the general nature of the charges.

(2) A licensee’s written response shall be due within thirty (30) days after the issuance of the administrative charge. Failure to respond within that time period may be taken by the board as an admission of the charges.

(3) Each notice shall be issued in accordance with KRS 13B.050.

Section 7. Proceedings Following the Issuance of an Administrative Charge. (1) The board shall arrange for the appointment of a hearing officer in accordance with KRS 13B.030 and 13B.040.
(2) The board’s legal counsel shall act as the prosecuting attorney in regard to any disciplinary proceeding unless the board appoints a special prosecuting attorney.

(3) The board may appoint a representative of the Attorney General’s office or another attorney to act as advisory counsel to the board in regard to any deliberations of the board following the issuance of an administrative charge.

(4) The provisions of KRS Chapter 13B shall govern the conduct of the proceeding.

Section 8. Incorporation by Reference. (1) "Grievance Form", 2/2020, is incorporated by reference.
